Description Show Less

This Chair cushion fabric is dyed in a more sustainable way that the color stays fresh for longer and fade resistant. Multi-colors cushions make easy for you to give your furniture a new looking.

12 inches ties that keep firmly in place on the chair: One of the most important qualities of a chair cushion is the ability to stay in place with frequent usage.

Important Notes: For hygiene and safety reasons, ARC Chair cushions adopts one-time vacuum compression packaging. However, the Chair cushions may collapse due to deformation, That can be restored by washing and low temperature drying then will become as fluffy and soft state as shown in the picture.
