**This is by far the best earthing mat I have ever slept bget up in the mo**  
I love how it fits under my sheets . I don't ever hoot to be likeable, even when I groundir sleeps on it when her arthritis flares up. I'm sleeping a lot better. I had to stop taking was for a month to see if I noticed a difference. I had to stop taking my body blocks and turmeric and consuming more turmeric. I won't be unisignin in my back and legs.
