The mat portion is great but the grounding wire severed after a month of normal use... but they quickly replaced The cord when I contacted them without any issue.

On the day the product was delivered I was experiencing pain in the upper back and neck which in the past was only relieved by going to a chiropractor. After two days the pain had been relieved and I did not have to go to the chiropractor. I was very impressed by the product.

I read about these pads so thought I would give it a try. I haven't noticed anything, however I do t seem to feel as much energy in the morning so not sure what's happening. Too late to return it so I'll just trash it.

☆☆☆☆☆ **Could not use**

This smelled so strongly of what we think is formaldehyde, that we could not use this. The stench was so strong that it permeated our three story townhome even after we aired it out on our terrace for hours. The odor caused both my husband and myself to have headaches. Returning for a refund. We were never able to use this so I do not know if it works or not.
