EXCITING INNOVATIONS. ALL IN ONE PLACE.

Welcome to Olympus.

Unrivalled, Total Well-Being.

Olympus is designed with total well-being in mind, so abundant health and wellness amenities are featured throughout. A campus-spanning, multi-modal trail connects residents and guests to leading-edge medical professionals, facilities and services, and to state-of-the-art community wellness and fitness offerings.

Global Sports Destination for Athletes and Fans.

Connections at the Heart (of Town).

Connection is integral to total well-being, so the heart of Olympus is a dynamic, multi-use Town Center thoughtfully planned to connect people, places and experiences. Pedestrian-oriented streetscapes feature a vibrant blend of restaurants, offices, shops, apartments and a lakeside amphitheater.

Live Your Best Life, Right At Home.

A variety of residential opportunities await throughout the community — from private residences by David Weekley Homes to luxury apartments in the multi-use Town Center. Whatever home suits your lifestyle, Olympus's trails, sports and entertainment venues are just a few steps — or a short spin — away.

Sun-Soaked Hospitality and Amenities for Every Guest.

With distinctive and conveniently located hotels featuring over 1,000 guest rooms plus stunning event spaces throughout the 240-acre campus, Olympus is the ideal destination for conferences, meetings, weddings and social events, executive and wellness retreats, team travel and more.

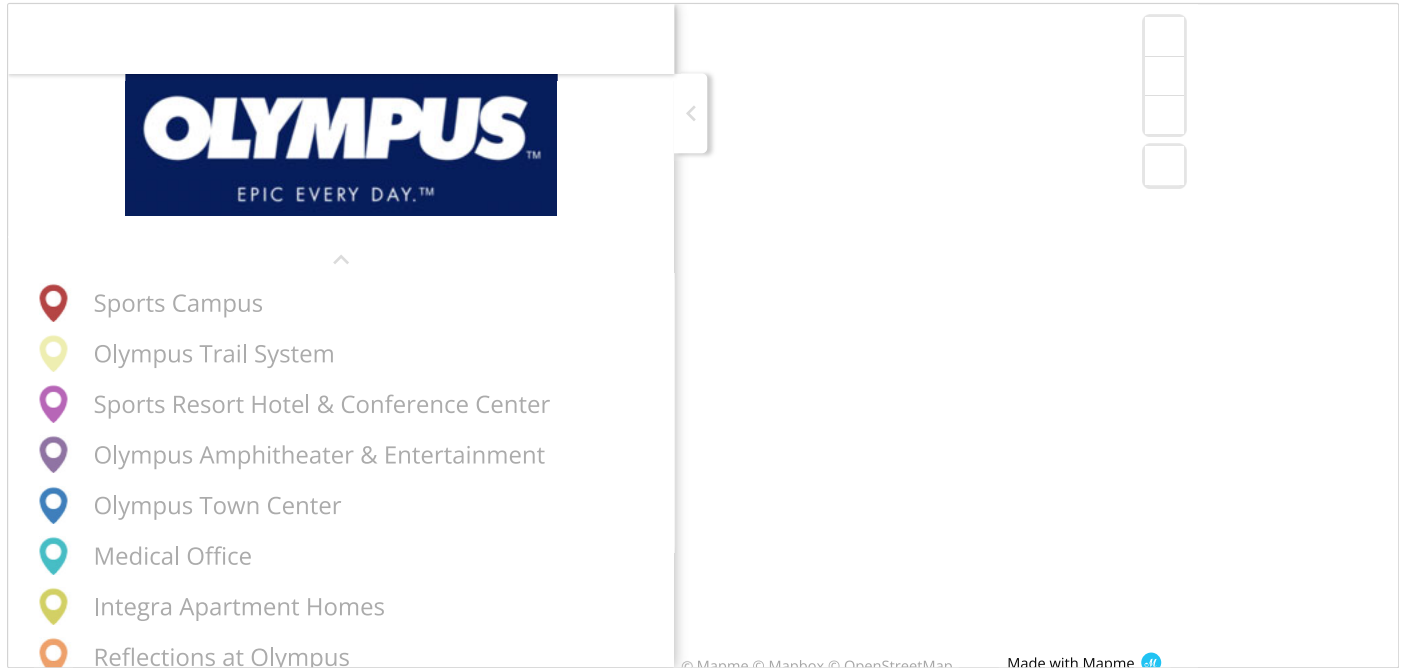

Getting Back to Nature in Your Back Yard.

Olympus is not only home to unique experiences, amenities and services, but also to an abundance of natural beauty, calm and quiet. Lake Louisa, a 4,500-acre state park, is just across the way, offering an equestrian center, hiking trails, boating, kayaking and more.

A WINNING LOCATION, PERFECTLY PLANNED.

Just minutes from Walt Disney World and all that Orlando has to offer, Olympus is celebrated as the centerpiece of the Wellness Way area and a crowning addition to the City of Clermont, FL.
