

Applicant is grateful for the Examining Attorney's letter dated December 15, 2020 and the Final Office Action and submits a Request for Reconsideration as follows:

In line with the Examining Attorney's suggestions, Applicant respectfully requests to amend the specification of goods to read as follows:

Class 9 - Digital color printers for printing images, designs and drawing patterns on surfaces of fingernails or artificial fingernails for consumer use; downloadable computer software for use in controlling printers; printer cables; electrical cells and batteries; downloadable image files containing images, designs and drawing patterns to be printed on surfaces of fingernails or artificial fingernails; downloadable music files,.

There are no changes to the Class 2 list of goods.

In addition, in line with the Examining Attorney's suggestion, Applicant respectfully requests to add the disclaimer statement of "No claim is made to the exclusive right to use 'NAILART' apart from the mark as shown."

In view of the above, and having answered all issues, Applicant respectfully requests to pass its subject mark to publication. If any additional information or clarifications are required, the Examining Attorney is respectfully requested to contact the undersigned via phone or e-mail for an Examiner's Amendment, if appropriate.
