This is in response to the Official Action of October 20, 2008.

Applicant submits herewith a substitute specimen and a supporting Declaration. In fact, this is the same package which was originally submitted in a flat photocopied form. It is an actual package, and approval of the Statement of Use and specimen is respectfully requested.

Applicant also points out that the specimen rejected by the Examining Attorney in this case was accepted by a different Examining Attorney in a companion case, Serial No. 78857520.

Respectfully submitted,
