# PERSONAL SAFETY SOLUTION

PEACE OF MIND AT YOUR FINGERTIPS

## TAKE THE REACT SIDEKICK WITH YOU EVERYWHERE

The React Sidekick's modular, gender neutral design makes it accessible to anyone. The React Sidekick is perfect for those with an active lifestyle, and can be worn on a clip or keychain carabiner.

### CUSTOM WHITE LABEL SOLUTION

Customized branding opportunities for businesses and institutions. Fully branded with name, color, logo, & user interface customizations.

### DISPATCH CENTER INTEGRATION

Provides security personnel with userID, profile and GPS location of emergency alerts. Identify location-specific incident trends with data reports & analytics.

### THE REACT SIDEKICK IS COMPATIBLE WITH:

iPhone: iOS 6 or higher

Android: Must support LE Bluetooth 4.0

### LICENSE THE REACT PLATFORM

Obtain access to the React Mobile emergency communications network. License fees differ depending on the size of the opportunity.
