ONE CLICK IS ALL IT TAKES

We've found the fastest way to reach a wide network of people when it matters the most. With just the click of a button, your custom contact list is alerted, giving you peace of mind.

GPS AND TRACKING

Whether you're on a nightly run, a first date, exploring the world abroad or working, your Sidekick will be with you when you need it.

NEVER FEEL ALONE

Build your own custom list of contacts you trust the most. When an alert is sent your network is notified of your GPS location and that you need help.

WEAR IT OR CARRY IT

The React Mobile Sidekick comes with both an activity clip for runners and athletes, and carabiner clip that is perfect to attach onto keychains, backpacks and purses.

REACT SIDEKICK PERSONAL SAFETY DEVICE

React Sidekick Personal Panic Button by React Mobile

Giving Back: We will be donating 5% of all sales through our website to Take Back The Night to help end sexual violence.

THE APP

React Mobile is a powerful personal safety app that turns your smartphone into a powerful lifeline. Our safety app features a "Follow-Me" feature that lets you share your location with friends and family so they can track your whereabouts in real-time and follow you to safety. Perfect for running alone, meeting new clients, keeping track of loved ones or for students walking alone through campus.
