RESPONSE TO OFFICE ACTION

This communication is in response to the Office Action issued on March 22, 2019, in which the Examining Attorney partially refused registration on the ground that Applicant’s mark is likely to be confused with a prior registration for STOÏK’D (Reg. No. 5569890) (the “Cited Registration”).

Applicant has filed a Petition to Cancel (Cancellation No. 92072009) the Cited Registration. Accordingly, Applicant respectfully requests that the Office Action be suspended pending resolution of the cancellation proceeding.
