Product description

HIMOX True HEPA Air Purifier can give you really fresh air with a 4-stage filtration system to eliminate every sort of airborne pollutant.

Firstly, the pre-filter captures airborne pollutants, pet hair, etc., the HEPA filter targets tiny particles down to 2.5 picometers, and the activated carbon filter works to eliminate odors such as formaldehyde and benzene. It can filter most (99.97%) dust, pet hair, pollen, smoke, household odors and all manner of foul odors.

What's more. Our air purifiers contain an anion system that releases up to 6 million negative ions per second. These negative ions attach to any particles in the air, removing them from your venting space. Particles such as smoke, bacteria in the air, allergens, pollen, harmful dust, pet smell and dander are effectively neutralized and removed from the breathing space.

Ultra-quiet: The operating noise varies depending on the air volume. In the case of weak (10-20dB), medium (35dB), strong (56dB), and "low" airflow, it is extremely quiet at about 20dB or less. The driving sound is almost silent, so you won't disturb your sleep every night.

Product specifications:

Material: ABS & Metal

Size: φ170 * 232mm

Weight: 1.8kgs

Applicable floor area: 10-15 tatami

Power consumption: 17W

BJ

★★★★★ Portable awesome purifier

September 25, 2019

Verified Purchase

The thing I like most about this purifier is that it's quite portable. You can easily move from one room to another. It's very quite and super useful to eliminate smoke in the room.
