(c) If sold in another type of sales environment (e.g., catalogs, trade shows), identify the environment and provide photographs and/or documentation showing the goods for sale in that environment.

This is not applicable.

(4) If the information in question (3) about how the goods appear in the actual sales environment is not available to applicant, please describe how applicant's goods are sold or transported and provide photographs and other documentation showing how applicant's mark appears on the goods and/or its packaging when the goods are sold or transported to or within the United States.

This is not applicable.

(5) For each category of sales environment specified in response to questions (3) and (4), specify when the goods bearing the mark were first available for purchase within the United States, the date of the first sale of the goods to or within the United States, and whether the goods are still for sale to or within the United States in that environment.

The goods bearing the mark were first available for purchase within the United States is on 06, 2019, the date of the first sale of the goods to or within the United States is on 06/10/2019, and the goods are still for sale to or within the United States in that environment.

(6) For the goods identified in response to question (1), specify the dollar amount of sales with or within the United States and provide at least three invoices or other supporting documentation that show payments or other consideration made, redacting personal or private information of buyers as necessary.

The dollar amount of sales with or within the United States is around \$6.
