Benefits

- Decreases the appearance of varicose and spider veins
- Moisturizes the skin
- Increases softness of skin
- May promote overall health of the skin

How it works

Nature's Sunshine Vari-Gone Cream® combines horse chestnut, butcher's broom, aloe vera, and yellow sweet clover into a cream that improves varicose vein appearance. The formula works to hydrate and tone the skin in addition to assisting in decreasing unsightly varicose and spider veins. When used regularly, Vari-Gone Cream increases the softness of the skin and adds to overall skin health.

NOTE: If taken internally, certain ingredients in Vari-Gone Cream may thin the blood. Consult a physician before using this product in conjunction with prescription anti-coagulant medications.

STOCK NUMBER: 4947-5

Ingredients

Water, safflower seed oil, isopropyl palmitate, glycerin, glyceryl stearate, cetyl alcohol, stearic acid, mellilotus officinalis extract, ruscus aculeatus root extract, horse chestnut seed extract, aloe barbadensis leaf juice, menthol, dimethylcone, inulin lauryl carbamate, aminomethyl propanal, carbomer, disodium EDTA, caprylyl glycol, hexylene glycol, phenoxyethanol

Recommended Use

Apply the cream to leg, calf and thigh. Apply in the early morning and again at bedtime
