RESPONSE TO OFFICE ACTION

This response of “Applicant,” Fresh Baked Co., by counsel David R. Welch, is provided in response to the Office Action issued by Examining Attorney Jeffrey J. Look on August 27, 2019.

The Office has requested additional information about the identified goods, in International Class 029 only, pursuant to Trademark Rule 2.61(b). In response to the directive of the Examining Attorney requesting additional information about Applicant’s goods (in class 029 only), Applicant respectfully submits the following responses:

- 1) Question: Do or will the goods in Class 29 include cannabidiol (CBD)?

Response: Applicant cannot yet provide this information at this time. These products are still in development.

- 2) Question: If so, will there be more than a trace amount of CBD in the goods, e.g., more than 50 parts per million (PPM)?

Response: Applicant does not have this material at this time. These products are still in development.

- 3) Question: What specific cannabinoids will be included in the goods in Class 29?

Response: Applicant cannot yet provide this information at this time. These products are still in development.

4) Question: Will the goods contain more than 0.3 percent delta-9 tetrahydrocannabinol (THC) on a dry weight basis?

Response: Applicant's goods are still in development, but it is anticipated that, barring any changes in applicable laws, the hemp used or to be used with Applicant's goods will not contain more than 0.3 percent delta-9 tetrahydrocannabinol on a dry weight basis.
