March 21, 2020

Really good app. It's easy to understand and learn how to use. You. An also take it off or have it in your home screen and there is a bar at the top to control. I also love how you can pause recordings and then unpause them. Really cool concept and I definitely recommend!

**Premila Ratnam**

March 27, 2020

Easy to record on phone. Only issues are editing function is hard to use and my phone freezes up if I try to use the app to screenshot something. Otherwise, great. Does what I need it to do essentially.

**Jazlene Salazar**

March 30, 2020

This app is really cool! Only one complaint though. When I record, sometimes it just randomly cuts? This is strange, and I hope it gets fixed. I will tell all the people reading this that this is one of if not the best app to record with! All the other ones I tried were weird and didnt work... Tldr...

**Niu Claretta**

March 30, 2020

I've been using this and it has been great. But I wish there are two options in this. One that records the sound in the screen, as well as the sound of the environment outside the device, and one that only records ths sound that was made by the device, and the sound that was made outside the device ...
