TOUCH VPN

The VPN service that keeps your phone, tablet & desktop secure & private

Get TOUCH VPN

Why TOUCH VPN?

Access any Website in any Country

Bypass geo-restrictions to unblock any website wherever you are! Get access to sites that are blocked or censored by government, school or workplace. Evade firewalls to unblock facebook, watch youtube, and circumvent VOIP limitations. TouchVPN unblocks it all with its free VPN app

Protect Your Data from Hackers

you're connected to a public wifi Hotspot, a hacker can access your name, passwords, and personal information. TouchVPN encrypts your data and provides you with banking-level security for the best protection while you're connected to an unsecured wifi hotspot.

Surf the Web Anonymously

Avoid being snooped by your ISP and prevent websites from ad tracking and targeting. TouchVPN changes your IP address, so your online identity is anonymous and your internet activity is inaccessible to prying eyes and businesses.

★★★★★

Free VPN which works effortlessly. Works just as well as paid services I've used in the past. Ads present, but I've never found them overwhelming. Thanks for a great service.
