Product description

Try out jewelry. Our product can be used as prayer rosary beads in Buddha, Tibetan Buddhist, Hindu, Japa, or Reiki religious practice or as a meditation aid in Yoga or anytime.

Our product is made with 108 natural healing gemstone beads, silk tassel and one guru bead- the 109th stone symbolizes gratitude and our connection to the divine. Natural gemstones are widely known for being energy conductors that amplify, restore and create energies within our bodies and minds. Due to their healing power, many people use gemstones as Chakra power stones.

Each gems bead is carefully selected and hand knotted and threaded onto durable cotton string. You may wear the 108 Malas as a necklace or bracelet or wrap it around your wrist loosely.

If the tassel is bent, you may brush the tassel to make it straight to one direction and have the tassel clamped inside a book for one hour. It should be straight again.

With its unique properties, color and pattern, gemstone jewelry is always popular among women and men throughout the history. Our gemstone Malas is a great gift for Anniversary, Birthday, Mother's Day, Valentine's Day, Graduation, Bridal/Wedding, Easter, Baptism, Christmas, or any other special occasion you would like to make memorable.
