

**REMARKS**

***Applicant's Amended Goods Do Not Require Prefatory Language***

The pending identification of goods in the application is as follows:

**Toys, games and playthings; gymnastic and sporting articles (except clothing);** hand-held units for playing electronic games for use with or without an external display screen or monitor; **skins for covering and protecting apparatus;** paper party favors; paper party hats; Christmas stockings; Christmas tree ornaments and decorations; snow globes

Trademark Rule 2.71(a), [37 C.F.R. §2.71\(a\)](#), provides that an Applicant can amend the identification of goods "to clarify or limit" the identification. Applicant has amended the identification of goods as shown below in the Response to Office Action, to **clarify and identify the specific "Toys, games and playthings", "gymnastic and sporting articles (except clothing)", and "skins for covering and protecting apparatus"** (shown in bold in the pending identification above), among other things. Applicant has deleted the wording shown in ~~strike-through~~ and clarified the identification with the items shown in underline below. The items shown in underline are narrower subsets or types of the broader original language **"Toys, games and playthings," "gymnastic and sporting articles (except clothing)," and "skins for covering and protecting apparatus,"** and thus do not expand the scope of the identification. For example, "action figures" and "board games" are types of **"Toys, games and playthings,"** and "jump ropes" and "volley balls" are within **"gymnastic and sporting articles (except clothing)."**
