Description

Crayola Colors of the World Colored Pencils contain 24 specially formulated colors representing people of the world. These skin tone colored pencils are an exciting addition to your collection, making coloring pages and drawings even more detailed and realistic. The subtle shades inside are formulated to better represent the growing diversity worldwide. Colors of the World fall into three main shades: Almond, Golden and Rose – and all the darker or lighter shades in between. This pack includes 24 new pencil colors that represent people from around the world. Pair with Crayola Coloring Books or pick up Colors of the World Crayons!

CHOKING HAZARD
Small Parts. Not for
children under 3
yrs.

A Great Selection of Tones

Review 1

I purchased this set of 24 Washable Markers directly from the Crayola website. As a graphic artist, I have been using Crayola markers and colored pencils for years. The vast array of colors and tones available have been amazing, and with the addition of this new color set, the possibilities expand even more profoundly!
