Trademark Serial No.: 88646413

“Vitality”

---

**REQUEST FOR DIVISION OF APPLICATION**

Commissioner for Trademarks  
600 Dulany Street  
Alexandria, VA 22314

Dear Sir:

This is a request for a division of application Serial No. 88646413 (the “Parent Application”) for the mark “Vitality” used in conjunction with international goods and services classifications 003 (Lotions for Face and Body Care) and 005 (Health foods and Dietary Supplements). The application, which is an intent-to-use application, has yet to be examined. It has been indicated that the application will not be examined until late in 2020.

Applicant wishes to divide the 1(b) application on the basis of specific products in each international goods and services classification listed in the Parent Application and proceed expeditiously to examination with the child application to be created herewith. Accordingly, a new filing fee is accompanying this request.

The subset of goods and services from the Parent Application to be associated with the new Child Application are:

[Class 003] Lotions for face and body care; non-medicated skin care creams and lotions; skin care preparations, namely body balm, body oils, salves, and lip balms.

[Class 005] Health foods; food supplements and vitamin preparations of every nature and kind, including alpha tablets, iron and liver capsules, digestive aids, fish liver oil, calcium lactate; Dietary supplements for general health and well-being; mixed vitamin preparations; mineral supplements; botanical supplements for general health and well-being.

## Request for Divisional Application

If the Trademark Commissioner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.

Respectfully submitted,

Patented PLLC
