Alavert[®] Allergy provides **24 hours** of allergy symptom relief **without causing drowsiness** when taken as directed (See Drug Facts Panel). It contains **prescription strength** loratadine. **Just one tablet a day** relieves runny nose, sneezing and itchy, watery eyes. It is safe and effective for adults and children 6 years and over. The Fresh Mint flavored tablet melts in your mouth. So convenient, it can be taken without water. For most recent product information, visit www.alavert.com.
