VERY ecological NEW YORK 12

Welcome to the ecological side of VERY NEW YORK / VERY CITY GUIDES. In addition to the guides we publish VERystylemaps, fold out maps for everything ecological and ethical... (www.verystylemaps.com). www.very-eco.com is about to be launched as new comprehensive online hub grouping all that's ethical, sustainable from VERY magazine, VERystyleguide and VERystylemaps. Have a look, and participate! We set up www.very-forum for you to join us on this adventure.
