## DETAILS

With the Rebar, Leatherman fans will immediately recognize the iconic box-like shape found in Tim Leatherman's original PST design. The Rebar pliers have been optimized for strength and feature replaceable wire/hard-wire cutters—a first for a four-inch tool from Leatherman. With all the features to get even the toughest jobs done, in a smaller, slimmer size, the Rebar is sure to be an instant hit on job sites and home projects the world over.

## WARRANTY

We're proud to stand behind every product that leaves our factory in Portland, Oregon. That's why we offer our 25-year warranty, so you can be confident your Leatherman lasts for a lifetime of use.

**Very Satisfied**

Arrived in a very reasonable amount of time, no mistakes on the customized engraving; and as usual, has the historic quality the company is known for.

**Use Type:** Emergency Prep, Travel, Hiking/Backpacking/Camping

Plan to get myself another one of the same exact thing for Christmas. He he he.

**Great product**

Got this for my husband for his birthday, plus the driver attachments. He absolutely loves it. On him 24/7 and he always finds a way to fix something with it every day. He wanted a leatherman because they're known to be quality multi-tools, and it's true. He loves it more than his old Gerber, a good upgrade and I'm glad he's happy.
