ABOUT MONDRIAN

Mondrian LA is a parallel universe of perpetual possibility. Rejuvenated by Benjamin Noriega-Ortiz, this luxury boutique hotel in the heart of West Hollywood captures everything the Strip stands for – excitement, invincibility and glamour. Entering Mondrian through its signature, thirty-foot mahogany doors, guests will find the recently expanded lobby, accented with hues of deep purple and complemented by custom-designed furniture, a Lucite indoor swing and a mushroom-inspired concierge desk. Complimentary high speed wireless internet access is offered in the lobby. **Ivory On Sunset**, a restaurant which is a collaboration with John Terzian of The h.wood Group, Built Inc. and Hakkasan Group, celebrates California cuisine and comfort foods to encourage diners to embrace the restaurant's communal philosophy. Up in the sky, amid the clouds of Los Angeles, guests can enjoy the stunning view from our **Skybar** lounge, Los Angeles' mainstay for nightlife. Exhibit Boutique, our gift shop, offers curated items tailored for the LA scene. Mondrian is located right on the Sunset Strip, close to Fox Studios, Paramount Pictures, Staples Center, Dodgers
