

PENDEX® 7695

Specialty Emulsifier for Vegetable and Methylated Oils

KEEP OUT OF REACH OF CHILDREN CAUTION

Harmful if swallowed. If swallowed, do not induce vomiting. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Do not store near feed or food products. Do not apply this product in such a manner as to directly or through drift expose workers or other persons.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

Storage & Disposal

Store in a cool dry place. Keep in original container tightly closed. Do not reuse empty container. Under very cold conditions solids may form. If solids are present warm container and agitate well before using. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org
