Crest Compliance provides comprehensive audit and compliance services to the affordable housing industry. Staffed by former property managers, auditors, and trainers, Crest takes an extensive, highly detailed approach in reviewing the eligibility of potential residents across multiple programs, including LIHTC, Bond, Rural Development, and Home.

Crest also provides a broad range of training services, helping property managers navigate the myriad policies and governmental requirements, and ensuring a consistent expertise is delivered at every level.

By understanding the challenges faced by today's property manager in obtaining and maintaining qualified residents, while preserving financial viability for affordable housing communities, Crest is unmatched in providing the tools, knowledge, and experience required to meet the client's specific requirements and exceed their objectives.
