## Pre-Moistened Cleaning Tissues

### Pre-Moistened Tissues

A lot of clean in a little package. Sight Savers Pre-Moistened Lens Cleaning Tissues are individually packaged lens cleaning tissues treated with special surfactants that clean all glass and plastic lenses. The tissues provide anti-static and anti-fog protection for moderate conditions.

They are convenient to use; perfect for home, light industrial, office, toolbox, glove compartment, car or truck. Excellent for safety and prescription eyeglasses\*, goggles, face shields, computer screens, automobile mirrors and more.

The dispenser holds 100 individually packaged, large 5" x 8" folded pre-moistened tissues. Place the gravity feed dispenser where it's most accessible in a workplace or office environment. Then take and use the individually wrapped tissues wherever you need them.

For more information, contact your Bausch + Lomb representative or call Bausch + Lomb directly at 1-800-452-6789.

### Key Features & Benefits

- Non-silicone based and anti-static
- Anti-fog performs in mild fogging conditions
- 100 pre-moistened tissues per box, 5" x 8"  
Unique package means easy dispensing of large 5" x 8" folded pre-moistened tissues (9" x 5 3/8" x 2 3/8")
