Praise for Windows of Jerusalem Tower Suites

Great apartment, Great Staff, Great location

Highly recommend this apartment, especially for families. 4th trip to Israel, 1st time to stay in an apartment. Modern and comfortable! Goldie and the staff very friendly and helpful. Very convenient to market, restaurants and shops. safe neighborhood..great view.

Staying here again in July.

Wonderful apartment

We had to book very last minute yet everything from check in to check out went smoothly. The contacts are there to please and help out to ensure your stay is wonderful. The apartment is lovely, spacious and modern. The location is hard to beat as we could walk everywhere in Jerusalem that we wanted. Upon another visit we know we will book this apartment again and highly recommend this property to others.

Perfect Apartment, Perfect Location

Our extended family of 7 stayed in this apartment for a week and absolutely loved everything about it. The unit is modern and spotlessly clean with all the amenities anyone could need, including flat screen tv, free wifi, fully stocked kosher kitchen, washer dryer and absolutely spectacular views from every

window. Its in the same street as Machane Yehuda so we could pop in almost every day for fresh food, and is a stone's throw from Ben Yeduha street and the Jaffa Street light rail. Its also a 15-20 minute walk to the old city but the light rail gets you almost to the Jaffa gate in minutes. There are buses that run directly outside the apartment which was so convenient. My elderly mother has mobility issues and there were high speed lifts and no stairs to negotiate, and plenty of room in the apartment for her to move around.

The owners live in the building and were so welcoming and helpful, and nothing was too much trouble. I would highly recommend this apartment and one day when we return to Jerusalem I wouldn't stay anywhere else. We returned to Jerusalem the following week after a few days in the Golan with just our family of 5, and stayed in the 2 bedroom apartment in the same building and it was also excellent. Thanks to andy and to Goldie for a wonderful stay.
