Customer Reviews

Nice brushing experience!!! ★★★★★
by FW_13

Great idea and good design!! Besides to give you technical information about your brushing gives you the possibility to check news while doing it. Useful and entertaining. A good idea to experience a new way of brushing. I recommend!!

Nice update but ugly icon ★★★★★
by Doubleman-TX

Make brushing fun. Been waiting for bluetooth connectivity and it's finally here, thank you! I will miss the simplicity of the old app icon because this updated one looks weird. Should have removed the Oral-B logo and just left the timer, It looks better. Overall a really useful app.

This app is so much fun and the reminders are helpful for me when I realize I have been slacking in brushing my teeth. Good design and really enjoyable.
