If I could give 42 stars, I would. sure there are some stuff missing like DMs, but it's all coming in future updates. Anyway, it's a great app and the owner is a good human. Keep up the great work. p.s Thanks for fixing that crash issue I had five minutes ago 🙏

Hivemind is a great app. It has a couple of bugs, but nothing that hinders the experience and it is very easy to navigate though. The Developer interacts with the community daily ;furthermore, They have done a good job keeping the community safe. I wish the Developer great success. :-)

Doesn't come up clean on a mobile security scan. I would like to see some permissions tweaked. One that was particularly troubling was the access to my camera, even if the app is running in the background, it can use it. It also has permission to run the minute I turn on my phone. As well as the abi...
