MESSAGE FROM THE PRESIDENT

Kathryn S. Schloessman
President & CEO
Los Angeles Sports &
Entertainment Commission

As you start planning for 2020, we are excited to provide you with the Los Angeles Sports & Entertainment Commission's (LASEC) Major Events Calendar. We know keeping track of key event dates and locations is becoming increasingly difficult and this calendar is designed to help your future planning.

This calendar includes major events happening in Los Angeles as well as high-profile events taking place outside of Los Angeles, like the NBA All-Star Weekend and the U.S. Open. The calendar lists the events included by name and then sorts them by month, so you can easily check to make sure a date is unoccupied before you begin planning your event. We update the calendar throughout the year, so please do not hesitate to share feedback or make recommendations to help make this a more useful tool in the future.

LASEC is a non-profit organization officially designated by Los Angeles Tourism to attract, secure and support high-profile sports and entertainment events in Los Angeles. We connect local businesses and communities with events to create lasting economic, cultural, and social impact for the region.

Thank you for your unwavering support of LASEC and our efforts to bring major sports and entertainment events to Los Angeles. We hope to see you at many of our great events in Los Angeles in 2020.

ENDORSEMENTS

“Being part of LASEC has given NIKE a great opportunity to be part of a community of strong leaders and support the efforts to bring major sporting & entertainment events to Los Angeles. It’s been so inspiring to collaborate with leaders across different business sectors to empower, spotlight and champion to bring the best events for the city of Los Angeles.”

**Blanca Gonzalez, Vice President & General Manager
West Territory
NIKE**

“All you have to do is look at the list of Marketing Partners, Corporate Partners, Board of Directors and Advisory Board. It’s an incredible group of individuals representing the ‘who’s who’ of L.A. business, sports and entertainment companies.”

**Victor Coleman, Chairman & CEO
Hudson Pacific Properties, Inc.**

“In addition to meeting and getting to know some of the greatest business leaders and deal makers in Los Angeles, we have built long-term and new business with companies on the board. My relationship with the leaders of these companies is quite strong now and we may never have met had it not been for LASEC.”

**Kevin Kunkel, President, Southern CA Region
Sprint**

“The Los Angeles Sports & Entertainment Commission (LASEC) brings events to LA that drive not just significant economic impact but social impact across our local communities. As a legacy of the 1984 Olympic Games, we value our partnership with LASEC as we work to ensure that these events have lasting impact and provides access and opportunity for the youth of our region.”

**Renata Simril, President & CEO
LA84 Foundation**

“In these days of relationship marketing, I don’t think there’s a better vehicle for building new business relationships and enhancing existing ones than through LASEC. LASEC brings together executives to do business for our city.”

**Edward Roski, Jr., Chairman/CEO
Majestic Realty Co.**

“The Los Angeles Sports & Entertainment Commission has been a significant supporter of the Recording Academy™ throughout the years and has been instrumental in the annual GRAMMY Awards returning to Los Angeles year after year. The Recording Academy produces many large-scale events in Los Angeles, and LASEC continues to be a strategic ally that can assist and advise on logistics, local agency connections, and venue partnerships. Their influence and stature is clear when looking at the key sports and entertainment executives they have on their Board and Advisory Board.”

**Branden Chapman, Executive in Charge of Production &
Chief Business Development Officer
Recording Academy**
