

ZeelTM Frame

Reframing Innovation and Design

Introducing Zeel. The future of versatile frame design.

- Zeel is a sleek, minimal frame designed to be stained or painted, seamlessly blending into your door.
- Never worry about extreme environments with **FiberMate PlusTM**. Our strongest material withstands high temperatures and direct sunlight even when using dark, on-trend paint colors.
- Reduce service calls and warranty issues with **Resolve[®] Sealant**. Zeel is immune to squeeze out and Resolve doesn't degrade over time.
- Zeel eliminates the need for screws and cumbersome screw hole covers with an **innovative clip system**, allowing each frame to sit flush to the door.
