

GEARBOSS® ELITE™ ATHLETIC LOCKERS

GearBoss lockers create a team room like no other.

When it comes to building and maintaining a powerhouse tradition, everything matters. Attracting the staff, coaches and athletes that can take your program to the next level is a constant focus. Your facilities reflect tradition and the expectation for the future, and there is one area that will impact your players every day – the team room. The team room has evolved to be so much more than a locker room. It has to make a statement of excellence. It has to recruit. It has to function. GearBoss lockers, will make a first-class statement that will set your program apart.

PRODUCT SPECIFICATIONS:

- Engineered with high-performance features that outperform and outlast wood veneers and cabinet-type construction
- Modularity means you can make unlikely replacements without breaking glues, dowels, adjacent components and easily add additional lockers
- Integrated bench seating eliminates the need for floor-mounted benches or folding chairs, saving valuable floor space
- Open design promotes airflow to encourage drying and reduce mildew and odor buildup and can be enhanced with optional fans
- Highly durable $\frac{3}{4}$ " (19 mm) thermofused composite wood core built to survive repeated rugged use in hardcore environments
- Closed-cell structure poly-laminate surfaces are easier to clean and more durable than wood veneer
- Antimicrobial laminates use nano-silver technology that lasts the life of the product and creates a hostile, lethal surface for bacteria, viruses, mold, and mildew
- $\frac{5}{8}$ " (16 mm) laminated wood shelf and hinged seat
- Heavy-duty 3 mm PVC edge banding maintains the integrity of the laminate surface and prevents chipping and separation
- Long-lasting bolt-through construction on connections, hooks, and doors
- Through bolting to connect side-by-side units allows easy removal of a single locker
- Steel mounting fixture provides natural ventilation and height adjustment to compensate for uneven floors

STANDARD OPTIONS

- Widths available in 2" (51 mm) increments from 18" to 36" (457 to 914 mm)
- Four available side configurations: contour, cutback, straight and lighted
- Top cubby storage available with no door, left side hinges with slide lock or top hinges with digital lock
