Brace for impact—because at-home gaming and entertainment will never be the same. With stunning 4K<sup>[1]</sup> HDR visuals, NVIDIA® G-SYNC® Ultimate<sup>[6]</sup> with blazing-fast refresh rates up to 144Hz<sup>[7]</sup>, and built-in NVIDIA® SHIELD™, this cutting-edge display brings your entire living room to life. Game, stream entertainment, and lose yourself in a brilliant 64.5" diagonal screen—when it comes to immersion, it doesn't get much bigger, or better, than this.

## A breathtaking visual experience

The OMEN X Emperium 65 provides the ultimate visual experience with VESA Certified DisplayHDR™ 1000 and 384 zones of full direct-array backlight. These game-changing technologies deliver lifelike fidelity and striking color, so games and movies are seen exactly as the developer or filmmaker intended. Plus, with best-in-class 4K<sup>[1]</sup> resolution on a whopping 65" diagonal screen size, you'd better make room for big action.

High-velocity visuals. Ultra-smooth gaming. equipped to take on today's most demanding titles.

## Your entertainment powerhouse

With built-in NVIDIA® SHIELD™ streaming technology, the OMEN X Emperium 65 pushes the limits of at-home entertainment. Access hundreds of apps like Netflix and Hulu in 4K HDR and enjoy gaming from the cloud or cast from your PC.

## Pulse-pounding audio. Perfected.

Take your sensory experience one step further with the OMEN X Emperium Soundbar. Complete with high-grade speakers and 3 stereo amps at 120 watts, it delivers incredible volume, immersion, and clarity for every in-game sound—from subtle footsteps to booming explosions. Two distinct audio modes deliver professionally tuned sound for gaming and entertainment.

## Return & exchange information

HP.com will not accept returns due to the product's size.
