smarter with Waze

Always know what's happening on the road with Waze. Even if you know the way, Waze tells you about traffic, construction, police, crashes, and more in real-time. If traffic is bad on your route, Waze will change it to save you time.

Why Waze?

- See what's happening - Alerts about traffic, police, hazards and more on your drive
- Get there faster - Instant routing changes to avoid traffic and save you time
- Drive with Waze Carpool - Save time & money by riding together
- Play music & more - listen to your favorite apps for music, podcasts & more right from Waze
- Know when you'll arrive - your ETA is based on live traffic data
- Pay less for gas - find the cheapest gas along your route
- Drive with Android Auto - use Waze on your car's display
- Always find the way - choose from a variety of voices to guide you while you drive

Be prepared, drive with Waze!
