\$42 (\$48 value)

Time consuming & frustrating wash days should be a thing of the past. We've paired up your favorite hair-wash and hair-mask, for a quick, simple and clean ingredient wash day routine.

WHAT'S IN IT:

1) hair-wash

hair-wash is a dry hair dream.

It's a gentle, milky, mildly foaming, hydrating hair & scalp cleanser, that smells like a bowl of froot loop cereal milk.

hair-wash which is formulated with gentle cleansing ingredients that you'll typically find in face cleansers. It will give your scalp and strands a cushiony but thorough cleanse - so curls and hair come back to life without the need for a harsh foaming action.

The super gentle nature of hair-wash also means that you'll find yourself washing less often, because you're not over stripping your scalp. Less washing means less disruption to the hair. That's a win.

You might not believe that a humble hair-wash could change your hair life -
