When you lose a loved one, Empathy is here for the guidance and support you need to get through it. Whether you're writing an obituary, locating the will, or opening a probate bank account, it shows you the specific steps to take, based on your unique situation, right when they should be handled.

### PERSONALIZED NAVIGATION

Step-by-step guidance to every aspect of loss, tailored to your specific needs and circumstances, and at your own pace.

### ASK AN EXPERT

Chat with a specialist who understands what you're going through. Our loss experts will provide you with the answers you need and help you find local services and providers. They can even take some tasks off of your hands and do them for you.

### TRACK AND COLLECT BENEFITS

Get simple and immediate guidance to all the benefits your family may be entitled to – including many you may not have known about. Learn how to locate, determine eligibility, and collect on these important sources of funding for the funeral and the estate.

### MANAGE YOUR PAPERWORK

The app gives you step-by-step advice to find and safely store important papers, and guides you through handling them. Bills, debt, unused services, insurance policies, bank accounts, and more, to make sure you stay organized and in control.

### FIND COMFORT WITH GRIEF AUDIO EPISODES

Grief is a fundamental human experience, and navigating it underlies every aspect of the Empathy app. Original audio chapters walk you through the tangled processes of grieving to help you observe, understand, and come to grips with what you're dealing with.

### PRICING AND TERMS

Try Empathy for free with our 30-day trial, then a one-time cost of \$65, all included – full access to all personalized guided paths and the human support helpline, for as long as you need, with no hidden fees. Access to our content and audio library, as well as your documents, is always free.

### COLLABORATE & SHARE

Share information and progress with your family members, to keep everyone in the loop, reduce your burden, and delegate tasks.

### LEARN IN OUR LIBRARY

Get all the knowledge and guidance you need to make the decisions that are best for your family and your loved one's memory.

### SAFE & SECURE

We are committed to ensuring that your data is and will always be safe, secure, and private, with two-factor authentication and bank-level encryption.
