¹ App availability and experience may vary by region and device.

² A Microsoft 365 subscription may be required for certain features. Document to be edited must be stored in the cloud with either SharePoint or OneDrive. Microsoft 365 subscription required and sold separately.

³ Previously synced emails and calendar events will be available to view in the apps when

offline. Content not synced from the server will not be available where there is no Internet connectivity.

⁵ Includes pictures and videos stored on the PC hard drive and in OneDrive, and requires all devices to be synced with OneDrive.

iTunes, iPhone, and iPad are registered trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc.

* Available only on iOS and Android. A Microsoft 365 subscription may be required for certain features.

Follow Microsoft Windows

Windows 10 Tips and Tricks

Achieve more with Windows 10 by joining our 30-minute workshop to learn everything Windows 10 has to offer for everyday use, whether it's for work or play, home or office.

You'll learn how to get the most out of new features, how to personalize your Windows experience, work and play across all your devices, and get more done faster with new productivity capabilities. Aspects of Windows 10 covered in the workshop include: Navigation, Start, Windows, Explorer, Menus, Accessing Applications, Security Features and Synchronization across devices.

To schedule a free, private event or let us know how we can support you, your families, and your community, contact us at NYCGive@microsoft.com

Get started with Windows 10, and register today!

You will receive an email confirmation containing a Microsoft Teams link to join the workshop. Please check your spam folder as the confirmation email may end up there.

For the best experience, please use Edge or Chrome Internet browsers to join the workshop.
