

THE AGOGE

60+ HOURS

People from all walks of life travel to the most remote parts of the world to experience the most physically and mentally challenging, and culturally immersive, once in a lifetime adventure. This is based on the ancient Greek trial of the same name.

There's nothing else like Agoge. From the savannah of Namibia, the steppe of Mongolia, the frozen tundra of Iceland, to the jagged Great Wall, you'll face brutal trials; mountain crossings, diving for clues, boma building, nomad wrestling, and more.
