As a travel guidance company, Tripadvisor brings people, passions and places together. We aim to help make you a better traveler, from travel planning, to booking, to taking a trip. Our app lets you get the most out of your trip – whether you're planning or on-the-go. Discover where to stay, what to do and where to eat based on guidance from millions of travelers who have been there before. Find deals on hotels, book experiences, reserve tables at great restaurants and discover great places nearby. No matter what [more](#)

What's New

[Version History](#)

We've rebuilt our app to help make you a better traveler – from planning, to booking, to taking a trip. Here's some of what you can do with it:

Version 47.9

- Get guidance on where to stay, what to do and where to eat from travelers who have been there before
- Travel confidently with access to health and safety information for hotels, restaurants and experiences
- Book hotels and experiences with free cancellation [more](#)

Editors' Choice

We wouldn't dream of planning a vacation without consulting TripAdvisor's appraisals of hotels, restaurants, and attractions. But this robust app does much more than that, letting you book your entire trip—from flights to museum tickets—in one place. For those [more](#)
