Fabulous boutique hotel in Rome

"This hotel was exceptional from check in to check out. We arrived early in the morning and were greeted with cappuccino. Very chic setting. Beautiful rooms and bathrooms. Extremely clean and comfortable. Delicious breakfast served each morning. It was again very early in the morning when we checked out. They arranged a taxi for us to the train station, packed breakfast to go, and had cappuccinos in hand. The service was impeccable! It was truly a wonderful stay."

Fabulous small hotel

Hotel's Favorite

"Outstanding customer service from the small team running this 15 room hotel that really makes this a 'must-return' hotel. Very comfortable stay in a clean room, huge bed, wonderful shower, umbrellas, coffee machine and more! Good choice offered at breakfast with daily freshly made juices, home made cakes and bread. The team here were exceptionally helpful with excellent local restaurant recommendations, organizing Covid PCR tests at a local clinic for our onward flights, printing passenger locator forms etc. Finally, the location for us was perfect - Monti has a local neighborhood feel, and less touristy than the more central districts but within easy walk of the wonders of Rome."

Perfect Rome home base

"We loved our stay here. Location fantastic - in the walking area of the Monti District near to the action and close to many significant attractions but far enough distant to feel out of the fray. Also close to Termini- less than 10 minutes walking. The room was spacious, well appointed and the balcony overlooking the courtyard was perfect. The breakfast was so lovely with fresh juice, beautiful cappuccino and many special touches of homemade granola and wonderful cakes in addition to yogurt, toast, fruit hot food like sausages and scrambled or hard boiled eggs. Most of all though was the warmth and helpful nature of the staff. Our luggage did not make the trip and the front desk helped us follow up by phone to that airline several times. Even after we left for the next..."

Wonderful

"Just returned from a wonderful 3 nights at the fifteen keys for our minimoon. The team couldn't have been more lovely, helpful and welcoming, we stayed in a superior grey room which was beautiful as well as being cool, clean and quiet at night. Breakfast was all freshly made and plentiful, loved the coffees and fresh juices every morning. Cakes to die for! We loved sitting outside on the terrace having our breakfast or a cocktail. Location for us was spot on, everything that we wanted to see was in walking distance. 10/15 minute walk to the trevi fountain for instance and lots of bars and restaurants around the area. We are recommending the fifteen keys to all our friends and family and will be visiting again next time we are in Rome!!"

Beautiful Boutique Hotel Convenient to Termini Station

"Recommended. I loved the level of comfort and style at this boutique hotel, and I would definitely stay here again. I stayed here three nights in a room with a balcony. The room was beautiful and the perfect size (not small at all). The best part of the hotel is the interior courtyard, where I enjoyed breakfast and an evening aperitivo. It is quiet, private, and absolutely charming. All the hotel staff were extremely friendly and helpful. They speak English perfectly but are also happy to help tourists like me practice our Italian language skills. The neighborhood of Monti feels a bit "hipster"/"influencer" to me, which is not my style, but one of my favorite restaurants, La Carbonara, is nearby, so I am glad I stayed here."

must stay here!

"we had a lovely experience! highly recommend. checkin: an aperol spritz was included in our package and they were tasty. we arrived at 8am and they were able to get us in our room by 11am, much appreciated as we arrived quite weary! until the room was ready they allowed us to freshen up in the downstairs bathroom tea time: 5-6p downstairs daily w tea and cookies. enjoy the garden or an inside table breakfast: great spread - fresh fruit juice, pastries, fruits, eggs, meats, salmon, veggies, prosecco, granola, cereal, etc rooms: first night we stayed in room 15 (4th floor) w a large balcony over via urbano, a fun view/vibe. then we left for a few days and returned a few days later to room 3 (1st floor) w a larger lower balcony over the garden. we loved both rooms! the water..."

Fabulous Hotel with Top Notch Staff

"I had the gift of staying twice this month at Fifteen Keys. From the pre visit email to my final departure, I was treated like a queen. The staff is welcoming, sincere and very personable. Every recommendation for an experience or restaurant was top notch whether a simple meal or a high end experience. I stayed in rooms with terraces and enjoyed the simple pleasure of relaxing in the evening. Breakfast was a wonderful variety of foods including multiple fresh fruits and juices. I highly recommend Fifteen keys. Monti is a great neighborhood as well."

Little gem!

"What a lovely hotel! Super staff who could not do enough for you. Excellent breakfast and even a happy hour in the bar 6 to 7 pm! The location is good, it is possible to walk into the centre of Rome or a taxi fare is not very much. The hotel is in a vibrant neighbourhood with a number of good trattoria within walking distance. Would definitely recommend."
