More Cash For Test Strips Is One Of The Best Websites On

Blogger Local That Buy Diabetic Supplies Online

Diabetic people have a site where they can sell their extra diabetic test strips. More Cash For Test Strips allows everyone to sell diabetic test strips and turn them into cash. More Cash For Test Strips is an honest dependable site that uses priority shipping so you get paid faster. They have a five-star rating with trust pilot which is the highest you can get and there are A rating with the BBB. More Cash For Test Strips website is easy to use to simply fill out the form ship your test strips and get paid.

Some time Doctors often recommend diabetic people to switch their testers. What would patients do with their unused strips? Throwing them away would mean losing a lot of money. But with More Cash For Test Strips around, patients don't have to worry about wasting money on their unused test strips. This website will buy people unused diabetic test strips and provide a handsome amount of money to the seller.

More Cash For Test Strips buys all major brands such as: Accu check Aviva plus, contour, contour next, Devcxon G6, Freestyle lite, Freestyle, Omni pods, One Touch ultra, One Touch Vireo, and Humulin insulin. We are pleased to buy as many brands that are on the market as possible so that we can help as many people as we can.

The deal is a win-win for everyone. First, the patient who wants to sell the extra strips gets money for something that may no longer prove useful to him/her. Second, those who cannot afford to buy diabetic test strips at the retail prices will now have a specific place where they can purchase these products at a lower price. Third, the sellers are helping to improve the environment. It is better not to throw the strips away when people can still use them. This will ensure that sellers follow the process of recycling and reusing.

The entire process of selling extra diabetic test strips is very easy. Patients need to inspect the box of strips they want to sell. The box must be factory sealed. More Cash For Test Strips will not accept any broken or damaged boxes. The seller should also check the number of months left before the strips expire. More Cash For Test Strips will only take the strips if they have at least ten months left before their expiration date. If the sealed boxes are within seven to nine of the expiration period, the seller will get 50% of the current price.

More Cash For Test Strips doesn't accept any box of extra strips that will expire within 6 months. Also, patients sending damaged or open boxes may not get any payout even if the strips have more than ten months of expiration date left.

The company does not share seller information with anyone. That is why they discard and destroy any prescription label on the box. People should not be remove labels on the test strip boxes they most likely will get damaged if they try to remove the tags forcefully. More Cash For Test Strips advises sellers not to try anything like that. Sellers should trust the company when it comes to handling personal information.

Visit the 'Price List' to sell diabetic test strips. This page contains almost all the make and models of test strips that patients usually use. The seller needs to match the name and color of the box. More Cash For Test Strips allows You to enter the name of more than one brand. However, the price may vary according to the demand and supply and also the ups and downs of the market conditions.

The seller needs to fill out the form on the price list page if he/she is ready to sell diabetic test strips. More Cash For Test Strips will send a kit or free postage-paid mailing label within one to five days after receiving the form. The patient has to pack all the unused boxes and drop them at the post office. Cash For Test Strips will verify the order once they receive the package. They also send the promised amount to the seller within one day.

More Cash for Test Strips is a best accu check smartview test strips products sell company. More Cash for Test Strips is a website that purchases unused diabetic test strips. Important information regarding Accu-check Aviva Plus test strips with lot numbers 497864 and 498315: These affected accu check aviva plus test strips lots show an increased potential for the inability to dose, resulting in the temporary unavailability of blood glucose measurement. If you switched testers, why let the old accu check aviva plus test strips go to waste when you can make some money to buy some for your new testing meter. We will do the best paying you as much as we can. Price will very on supply and demand and market ups and downs. Call @310-892-2808 if you need to buy a accu check smartview test strips.
